SCOTCHCODE WRITE-ON TAPE DISPENSER

With attached ScotchCode Marking Pen write legend on the marker that appears in the window of ScotchCode Disposable Dispenser. Pull liner at the rear of the dispenser until marker clears the front of dispenser. A vinyl tape with high tack acrylic adhesive. It is conformable, durable and oil/solvent resistant. Place white surface with legend on insulation and wrap clear tail of marker overlapping legend for protection. Disposable Dispenser houses 250 useable die-cut 3/4" x 1-3/8" markers with a write-on surface 3/4" x 5/16". O.D. range of each marker is .09"-.315" (#22 AWG-#6 AWG).

Cat. No.	Description	Net Price
SWD	Disposable Dispenser with 250 Markers and Marker Pen	\$38.13
SWD-R	Dispenser Refill Roll contains 250 Markers	29.47
SMP	Replacement Pen	7.08

SCOTCH BRAND ELECTRICAL TAPE

No. 24 Shielded tape—All metal open weave shielded braid, conformable, temperature stable.

No. 27 7-mil glass cloth tape with thermosetting pressure sensitive adhesive with class B temperature range (130°C/266°F). CSA listed.

No. 33 7-mil Premium tape—flame retardant—600 volt insulation—resists ultra violet rays, abrasion, moisture, alkalis, acids and corrosion. CSA listed.

No. 35 7-mil Premium tape—8 colours—weather resistant—resists ultra violet rays, moisture, alkalis, solvents, and many acids. CSA listed.

No. 69 7-mil Edge-tear resistance, conformable, high-temperature flame-retardant adhesive, for use as coil cover, anchor for banding and core, layer and cross over insulation, PRINTABLE.

No. 70 12-mil Self-fusing silicone rubber tape—Arc & track resistant, self fusing, long lasting silicon rubber.

No. 88 8.5-mil Premium tape—flame retardant—heavy duty—weather resistant—wide temperature range (-18°C/0°F)—resists ultra violet rays, moisture, alkalis, acids and corrosion. CSA listed.

No. 130C 30-mil linerless rubber tape—self bonding—corona resistant—1000% stretch—compatible with butyl rubber, ethylene propylene rubber, polyethylene and cross linked polyethylene insulations—moisture sealing connections, up to 69KV insulation.

Colourflex 7-mil economical tape—8 colours, economical general colour coded tape.

Cat. No.	Description	Roll Size	Net Price
24-1-15	All Metal Shielded Tape	1" x 15'	\$25.26
24-1-100	All Metal Shielded Tape	1" x 100'	134.84
27-1/2-66	Glass Cloth Electrical Tape	1/2" x 66'	13.41
