

DATAKOM JACKS CAT 5E JACKS—IDC TOOL-LESS DESIGN

Dust cover makes the connection and retains the cable. No punchdown tool required. Straight-in wire loading eases installation and reduces flexing of the conductor. All jacks are coded for EIA/TIA 568 A/B.

Cat. No.	Description	Net Price
45-5836-0000	White	\$4.49
45-5839-0000	Grey	4.49
45-5579-0000	Green	4.49
45-5680-0000	Blue	4.49

STANDARD DATAKOM WALL PLATES

These wall plates enable you to configure a single outlet to a variety of connector types. All plates are molded from a UL94V-0 flame retardant plastic and comply with UL standard 1863 and article 800-51 of the national electrical code.

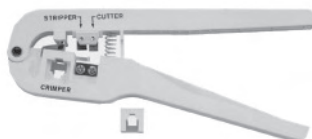

Cat. No.	Description	Net Price
