

MUELLER NO. 11-A CLIP

Designed for fast chargers, battery discharge test and heavy duty grounding requirements. Copper shunt on each, added to eliminate overheating of spring. Improved pin hinge construction. 1/4-22 bolt and nut. 1 1/8" jaw opening. Length 6".

Cat. No.	Description	Net Price
BU-11APN	Steel, copper shunt, zinc plated, 100 AMP plain	\$6.01
BU-11APS	Steel, copper shunt, zinc plated, 100 AMP plus	6.01
BU-11CPN	Solid copper, 200 AMP plain	8.31
BU-11CPS	Solid copper, 200 AMP plus	8.31

NO. 13 VINYL INSULATOR FOR 11-A AND 11-C

Cat. No.	Colour	Net Price
BU-13-0	Black	\$2.69
BU-13-2	Red	2.69
BU-13-6	Blue	2.80
BU-13-5	Green	2.80
BU-13-9	White	2.80
BU-13-4	Yellow	2.80

MUELLER "BIG BRUTE"

Solid copper. Largest clip in the Mueller line. Widely used as a welding ground clamp. Equipped with a solid copper lug for attachment to cable. Copper shunt completely protects spring and provides long life. 5/16-18 bolt and nut. 2 1/4" jaw opening. Length 7 3/4". 300 AMP.

Cat. No.	Description	Net Price
BU-33C	Solid Copper	\$17.22

NO. 35 VINYL INSULATOR FOR 33-C

Cat. No.	Colour	Net Price
BU-35-0	Black	\$7.10
BU-35-2	Red	7.10

SECOND INSULATOR OUTLINED TO SHOW CONSTRUCTION

MUELLER PIGMY HIPPO-CLIP

A small plier clip for battery operated equipment and automotive test. Flat, wide handle allows positive grip. Won't "squirt away". Built-in solder strap and wire clinching ears. Supplied with vinyl handle insulators in red or black.

Cat. No.	Colour	Description	Jaw Opening	Length	Net Price
BU-40A-0	Black	Steel, Copper	3/4"	2"	\$7.77
BU-40A-2	Red	Plated, 15 AMP			
BU-40C-0	Black	Solid Copper,	1-1/8"	3"	1.10
BU-40C-2	Red	20 AMP			
BU-46A-0	Black	Steel, Copper	1-1/8"	3"	.99
BU-46A-2	Red	Plated, 50 AMP			
BU-46C-0	Black	Solid Copper,	1-1/8"	3"	1.50
BU-46C-2	Red	75 AMP			

SECOND INSULATOR OUTLINED TO SHOW CONSTRUCTION.

MUELLER HIPPO-CLIP

For battery booster cable and fast charges. Proved higher quality and superior design. Built-in solder strap and clinching ears for fast, sure cable connection. Supplied with vinyl handle insulators in red or black. 1 1/8" jaw opening. Length 6".

Cat. No.	Colour	Description	Net Price
BU-41A-0	Black	Steel Copper	\$2.87
BU-41A-2	Red	Plated, 100 AMP	
BU-41C-0	Black	Solid Copper,	6.41
BU-41C-2	Red	300 AMP	

MUELLER HIGH AMP INSULATED CLIP

Made of glass-filled high-impact plastic and features solid copper jaws and bus bars. Fully insulated heavy duty nylon clip is perfect for high amperage applications. Both welding and battery clip jaw variations available, along with a Kelvinized battery clip. 1-1/2" jaw opening. Length 6-1/2". 500 AMP.

Cat. No.	Colour	Description	Net Price
BU-102B-0	Black	Battery Clip	\$20.87
BU-102B-2	Red	Battery Clip	
BU-102W-0	Black	Welding Clip	18.02
BU-102W-2	Red	Welding Clip	
BU-102BK-0	Black	Kelvinized Clip	26.68
BU-102BK-2	Red	Kelvinized Clip	

MUELLER BATTERY CLIP

Slim design works great in tight areas. Will not slip off, no scraped knuckles and no improvising. Locks on to both "side" and "top" mounted battery terminals. Completely insulated. Steel, epoxy coated clips with copper plated jaws. Jaw opens 1.50" max. Length: 6.75". Available in black and red.

Cat. No.	Colour	Net Price
BU-X15400-0	Black	\$4.03
BU-X15400-2	Red	4.03
