

Katapult® Solid and Stranded Wire Stripper/Cutter

Cat. No.
11063W

Cuts and strips 8-22 AWG wire with ease

Compound action stripping: grip and strip via single-action squeezing motion

Precision machined stripping holes easily remove insulation without damaging the wire

Removes up to 1" (25 mm) in length of the insulation layer (jacket layer) in a single step

Tension loaded wire-grip gently holds the cable while retaining cable geometry

Cast alloy chassis with heavy-duty Ecoat finish for corrosion resistance and durability

Application: Strips 8 - 24 AWG solid (6.0 mm² - 0.34 mm²),
10-22 AWG stranded (6.0 mm² - 0.34 mm²)

Hold-Open Spring: Yes

Handle Color: Blue/Black

UPC: 092644420016

Material: Cast Alloy Chassis with Heavy-Duty Ecoat Finish

Strips and Cuts: 8 - 24 AWG Solid, 10 - 22 AWG Stranded

Overall Length: 6-19/32" (167.5 mm)

Weight: 0.75 lb (0.34 kg)
