Part Number - 533101B02551G

Mechanical Outline Drawing

A Dim 38.10
B Dim 21.59
C Dim 17.02

Thermal Curves

Thermal Resistance	11.00
--------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
533101B02551G	Extruded heat sink with radial fins and solderable pins and device clip	Black Anodize	N/A
This non -electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.			

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#) . Challenge us with your thermal requirements - we can design custom solutions.
