Part Number - ML33G

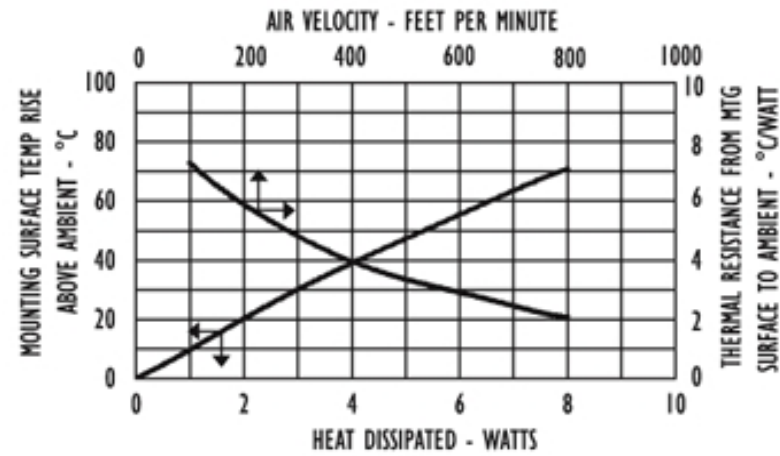

RoHS Compliant

Product Change Notice

Mechanical Outline Drawing

Thermal Curves

Thermal Resistance	8.50
--------------------	------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
ML33G	High power extruded channel heat sink	Black Anodize	N/A

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#) . Challenge us with your thermal requirements - we can design custom solutions.
