Product Description

[Features](#)[Specs](#)[Contents](#)[Video](#)[Manual](#)[Reviews](#)

Our most popular bench-top extractor gets an upgrade!!

The task light is useful when working on small applications and reduces eyestrain. If you don't need the light a light diffuser has been included. Larger grey adjustment knobs have been provided for easier positioning. You will find many uses for this versatile extractor, do not miss your opportunity to own one today!

Does Not Include Solder
