| Order unit | 1 pieces      |

## Approvals

## Technical data

### General

|                                                            |           |
|------------------------------------------------------------|-----------|
| Housing material                                           | Aluminium |
| Colour                                                     | Grey      |
| Surface                                                    | Bare      |
| UV resistant                                               | Yes       |
| Inflammability class of insulation material acc. with UL94 | Other     |
| Operating temperature range min.                           | -40 °C    |
| Operating temperature range max.                           | 120 °C    |

### Model

|                        |                                  |
|------------------------|----------------------------------|
| DIN-size               | 6                                |
| Model                  | Equipment mounted (feed-through) |
| Locking mechanism      | Single locking lever             |
| Cable entry            | None                             |
| Type of cable          | None                             |
| With cable screw gland | No                               |
| Thread size PG         |                                  |
| Hinged lid             | No                               |
| EMC-version            | No                               |

### Classification

|          |          |
|----------|----------|
| ETIM 6.0 | EC000437 |
| ETIM 4.0 | EC000437 |
| ETIM 3.0 | EC000437 |
