SKU 45-918

Kinetic® Reflex™ T®-Stripper Wire Stripper

[Be the first to review this product](#)

Details

- Non-slip textured grips and thumb rest
- Plier nose for holding and twisting wires
- Slide lock for safety and storage
- Thumb and finger valley makes stripping easier and more accurate
- Strips 6-14 AWG solid, 8-16 stranded

Invented and manufactured at our Sycamore Illinois facility, the T[®]-Stripper wire stripper line is the leading brand name in the world. It features a tough steel construction and black oxide finish to offer corrosion resistance. It has shear-cut[™] bolt cutter and looping holes with plier nose for extra gripping strength. The hardened steel sheer-type blades are spring-loaded to open automatically. It has curved handles help reduce wrist fatigue and ergonomic handle design for comfort.
