
UFA RACKSHELF, 1 RU, 14.5"D

UFA-14.5 |

FEATURES & BENEFITS

“Universal Face-After” shelves designed to mount small items conveniently in the front or rear of a rack while providing outstanding cable management and small device tie down points. These shelves feature the unique ability to mount a faceplate after the shelf is installed and populated, providing an attractive and secure covering.

- Universal Face-After design holds small items in front or rear of rack
- Accepts mounting of a covering faceplate after installation and population
- Steel construction with black powder coat finish
- Note: must be installed using standard 10-32 or 6mm rack screws into rackrail
