

HIGH-RELIABILITY

- ▶ Military-grade Devices

▶ High-Reliability Diodes

▶ High-Reliability Modules

▶ High-Reliability Power Management

▶ High-Reliability FET Drivers, Low-Side

▶ High-Reliability Motor and Fan Controllers

- SG1731, SG2731, SG3731

▶ High-Reliability Linear Regulators

▶ High-Reliability Isolated Switching Regulators

▶ High Reliability Supervisory Circuits and Voltage References

▶ High-Reliability Transistors

▶ High-Reliability Operational Amplifiers

▶ High-Reliability Ruggedized Oscillators

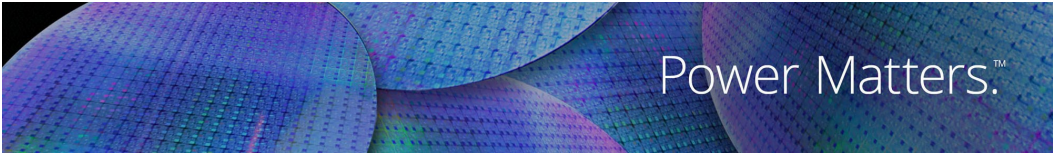

- Mil-Temp FPGAs & SoCs

- MIL-PRF-55310 QPL Clock Oscillators

- High-Reliability Integrated Power Solutions

▶ Space-grade Devices

▶ Relays
