Overview

MICRO SWITCH AT Series Toggle Switch, 8 pole, 3 position, H58 terminal, Standard Lever

MICRO SWITCH AT toggle switches provide a compact multi-pole toggle switch available as a 1-, 2-, 3-, 4-, 6-, 8-, or 10-pole design for a wide range of applications with a metal toggle lever, metal bushing, and metal housing for durability. Select AT Series are qualified to MIL-PRF-8805 for military applications. Options for the AT Series include panel seals and lever-to-bushing seals. These options enhance product performance where environments of dust or water spray could be present in the application....
