### Technical data

#### Dimensions

|                            |        |
|----------------------------|--------|
| Length                     | 6.5 mm |
| Connecting thread diameter | 40 mm  |
| Wrench size, counter nut   | 46 mm  |
| Hexagon angular dimension  | 50 mm  |

#### Ambient conditions

|                                 |                   |
|---------------------------------|-------------------|
| Ambient temperature (operation) | -70 °C ... 220 °C |
|---------------------------------|-------------------|

#### General

|                             |                      |
|-----------------------------|----------------------|
| Material                    | Brass, nickel-plated |
| Thread type connection side | M40 x 1.5            |
| Color                       | silver               |

# EMV nut - A-INLE-M40-N-S - 1411272

## Technical data

### General

|                       |                                                                     |
