 **Text Search: 'F512B10-NM2'**

Your search criteria matched only one product, shown below

F512B10-NM2

OptiCore® Multi-pack Pigtails consist of multiple pigtails into one clamshell. By consolidating multiple pigtails into one clamshell, we enable installers to centralize their pigtails and help them reduce their package waste.

The new packaging consists of:

- The LC pigtail package is available in 8 or 12 pigtails per package
- The SC pigtail package is available in 8 or 12 pigtails per package
- The SC multi-package pigtail is only available in singlemode
- Single individual pigtails also available

*Additional lengths and availability: Patch cords are available in 1 – 10 meter lengths in 1 meter increments, and 15, 20, 25 and 30 meter lengths. Pigtails are available in 1, 2, and 3 meter lengths. Ex: To order lengths other than 1 meter, replace the 1 after the M (FXE10-10M1Y) with the desired length (FXE10-10M2Y for 2 meter length). The above lengths are stock items. For other lengths, contact Customer Service for actual lead times.

• Part Number	F512B10-NM2
• RoHS Compliance Status	RoHS directive is not applicable
• Part Description	Twelve individual, Standard OM2, LC Connectors to Pigtails, 900um buffered fiber.
• Product Type	LC Pigtails
• Length (m)	2
