Your search criteria matched only one product, shown below

PSL-LCAB-C

- TIA/EIA604 FOCIS-10 compliant device fits all LC duplex adapters for a variety of applications and installations
- Tamper -resistant design blocks unauthorized access to LC duplex ports to reduce the risk of damage, saving time and money associated with downtime, repairs, and hardware replacement
- Compact, low profile design allows installation or removal without disturbing adjacent ports or installed patch cords in high -density applications
- Also functions as dust plug to mechanically protect the LC adapter optics and render it "eye - safe"
- Removal tool allows only authorized personnel to release the device, ensuring safety and security of your network infrastructure
- Available in multiple colors to match or contrast adapter colors for easy identification of blocked out adapters
