

UL **CSA** **PAN-WAY™** Type T Surface Raceway

PAN-WAY Type T Surface Raceway is a large capacity, multi-channel system used to route, protect, and conceal data, voice, video and power cabling systems.

Type T System Benefits:

- Power rated to 600V(UL), 300V(CSA) meet **UL5A** standard and CSA 22.2 No. 62-93 standards
- Tamper resistance for School & University applications
- Modular divider wall keeps power and data cables separated
