

Actual

**Project:** jeff  
**Location:** Little Rock  
 1900 W. 65th Street Suite 7, 7A, 7B

**Catalog Number:** F2050  
**Product ID:** 7TAI029790R0022  
**UPC Number:** 78621033554  
**EAN Number:** 05414363151173  
**Status:** A

Polypropylene-Insulated Ferrule, Total Length 1.181 Inches/30mm, Pin Length .630 Inches/16mm, Pin Diameter .335 Inches/8.5mm, Base Diameter .492 Inches/12.5mm, Wire Range 2 AWG/35.00mm<sup>2</sup>, Color Red, Copper, Tin Plated

- Ferrules ensure reliable electrical connections when terminating conductors in screw clamp terminal blocks.
- Application Tools: ERG4

#### North American Specifications (UNSPSC)

|                  |                                                                                                             |
|------------------|-------------------------------------------------------------------------------------------------------------|
| UNSPSC           | 39121432 Electrical terminals                                                                               |
| IGCC             | 4603 Electrical terminals                                                                                   |
| Type             | Polypropylene Insulated Ferrule                                                                             |
| Special Features | Ferrules ensure reliable electrical connections when terminating conductors in screw clamp terminal blocks. |
| Standard         | UL E489056                                                                                                  |
| Wire Size        | 2 AWG                                                                                                       |
| Material         | Copper                                                                                                      |
| Color            | Red                                                                                                         |

#### European Specifications (ETIM)

|                          |                           |
|--------------------------|---------------------------|
| ETIM                     | EC000005 Cable end sleeve |
| Construction type        | Standard                  |
| Nominal cross section    | 35mm <sup>2</sup>         |
| Insulated                | Y                         |
| Insulation material      | Polypropylene             |
| Colour                   | Red                       |
| Material                 | Copper                    |
| Surface protection       | Tinned                    |
| With identification flag | N                         |
| Reel packaging           | N                         |

#### Packaging

|                |                 |
|----------------|-----------------|
| Inner Quantity | 50              |
| Outer Quantity | 500             |
| Weight Uom     | 5 lbs. per 1000 |
