WXMT TWEEZERS MICRO-DESOLD. WITH WDH 60

- WXMT Micro-Desoldering Tweezers with RTW3 tip cartridge and WDH60 safety rest
- Precise desoldering of very small SMD components
- Tips are parallel in the tip cartridge so they are always in alignment
- Compatible with all WX series power units
- Compatible with all RTW series tip cartridges
- Motion sensing activates or deactivates the tool
- Excellent for leaded and lead free applications
- ESD safe to protect sensitive components
