

06-Jul-2023

**PCN #:** P-23-024812

**Subject :** AMP SUPERSEAL 1.5 SRS. 2 POS. PLUG ASSY.

**Description of Change :** This Product Change Notification (PCN) is to inform you about a resin supplier base extension for the 2pos. Plug housing of the mentioned part numbers, which are under the design responsibility of TE Connectivity. This PCN is informational only and no further actions are necessary from your side, as this extension does not have any impact to form, fit or function change. The material itself will remain PA66-GF as stated on the general TE customer drawing. The PN in scope of this PCN is a general sales / catalogue part. Therefore, no contractual agreement related to sub-supplier selection is applicable. VDA 2 Trigger matrix use case 30 and PPAP towards Customer/s are not applicable too. TE Change process follows a strict procedure, which fully maintains quality and ability to supply. Internal release process is ensured by TE, including product validation.

**Reason :** Part status change. The supplier base extension is needed to protect our customers and TE Connectivity from material shortages risks and ensure deliveries. Alternative resin/material introduced is a recompond resin (PA66-GF), whose industrial grade quality is under TE control. The TE Connectivity choice is also consistent with the efforts for reducing the CO2 content of our products and build a sustainable future. These products with recompond resin have been tested according to the relevant specifications and meet the product specific requirements.

**Key Dates :**

**Contact By Date:** 18-Sep-2023

**Implementation Date:** 18-Sep-2023

<b>Product Affected</b>	<b>Alias Part Number</b>	<b>Substitute Part Number</b>	<b>AliasSub Part Number</b>
282080-1	CM8390-000, AMP-0-0282080-1, 2-42939-6211, 8202611296, 8202613264		

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
